- c. We will charge £15 if we have to bypass your account password(s), this only applies to Laptops, Desktops and Apple Macs.
- d. While completing repairs the very act of dismantling or testing can cause failure to already stressed components. You acknowledge that we cannot be held responsible for the additional costs that might incur and that you will be liable to pay. Our reputation for fairness is your protection.
- e. For some jobs, we may need to re-install your operating system. This involves wiping your hard disk clean and re-installing the operating system. We DO NOT test hard drives for any faults (unless the specified job is to check the hard drive or to diagnose). We will contact you prior to the wipe of your hard disk. If you require your data to be backed up prior to the wipe and restored back to your device once the operating system has been re-installed, please let us know along with any Activation Keys or Login Details (Microsoft Office, Security etc.).
